

# COSTUME REFERENCE LIBRARY

## Admiral Daala, Flightsuit

Model ID-3881, Photo by Trent Thornton

**Description:** Admiral Daala, Flightsuit

**Prefix:** ID

**Detachment:** Imperial Officer Corps

**Context:** Star Wars Expanded Universe

Daala is an aggressive commander. Considered to be remarkably charismatic, she can also be ruthless. Although often prone to great fury, Daala feels that outbursts of one's anger are unprofessional, and restrains herself to serve as an example to her crewmen. Despite the carefully calculated facade used to inspire loyalty in her crew, Daala does have a soft side, which she displays very rarely to those she leads or fights against.

The 501st approval requirements are listed in black.

The Imperial Officer Corp Detachment defines additional, optional levels of costuming excellence. In the page below, items listed in blue are optional features that will improve the quality of the costume. Items listed in red are intended to further enhance the finished costume.

***For 501st membership only the requirements in black need to be met.***

---

This Visual Guide has been reviewed by the detachment staff and the LMO team and is certified for use as a minimum approval guideline for GMLs. GMLs are free to approve this costume type.

- Any uncertainties or questionable aspects of the submitted costume should be brought to the appropriate DL/GML peer review section of the legion forum.

## Required Costume Components

The following costume components are present and appear as described below.

Hair  
For 501st approval:

- Hair is red and below the shoulder in length.
- Hair worn loose with small braids framing the face.
- Appearance may be achieved with the individual's own hair or by high quality wig appliance.

For level two certification (if applicable):

- Hair is styled to exactly match reference pictures in both color and shape.

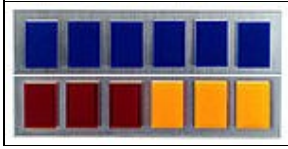

Jumpsuit  
For 501st approval:

- The olive drab jumpsuit has distinctive vertical piping along the seams and in a distinctive pattern above the clavicles.
  - ◆ This piping is darker olive than the jumpsuit fabric.
- The cut of the jumpsuit bares a mandarin collar and is form-fitting.
- Each leg sports a cargo pocket and flap on the outer thigh just above knee height.
  - ◆ A beige or brown strap runs vertically up the center of the pocket.
  - ◆ A gold-toned clasp, slightly trapezoidal in shape, is attached to the center of the strap on the pocket flap.
  - ◆ A second gold-toned fixture is on the center of the strap near the bottom of the pocket.
  - ◆ The shape of this second fixture is a convex rectangle with beveled edges on the two shorter ends.
- The bicep of the right arm bares the Maw Installation logo, a cyan flight bar, and military insignia.
  - ◆ See the [flight suit detail](#) page for a closeup of these features.
- Both forearms display two horizontal officer stripes in the same color as the jumpsuit piping.
  - ◆ These officer stripes wrap around the top of the forearm, but do not completely encircle the forearm.

For level two certification (if applicable):

- Jumpsuit closely resembles artwork in all emblem details, as well as fit and general appearance.

Daala's Rank Bar  
For 501st approval:

- See the [Imperial Rank Bar page](#) for more information.
- Worn on the left side of the tunic over the heart.
- Rank consists of colored plastic tiles mounted on metal bar.
- Each bar is 1" (25.4 mm) height.
  - ◆ Length is determined by the number of tiles.
- Rank tile dimensions are 1/2" (12.7 mm)width x 3/4" (19 mm) height and about 1/8" (3.2 mm).
- Tiles are mounted with 1/4" (6.4 mm) spaces between them.
- Rank bar exactly matches the color pattern used in the references.
  - ◆ Six blue tiles on the top bar.
  - ◆ Three red, followed by three amber, on the bottom bar.

For level two certification (if applicable):

- Rank consists of two separate strips, one atop the other, meeting together flush.

Belts  
For 501st approval:

- The belts are black or dark brown and worn off the hip.
- Gold-toned vertical bars divide the belt into smaller rectangular sections.
- Each rectangular section is accented by gold-toned round in its center.

For level two certification (if applicable):

- The belt is dark brown, black is not eligible for level 2 standards.

For level three certification (if applicable):

- Belts are made of dark brown leather.

Officer Boots  
For 501st approval:

- Knee-high, black, lace-less, smooth non-textured, leather or leather-like material.
  - ◆ Rubber is not acceptable.
  - ◆ PVC or synthetic material is allowed as long as it gives the appearance of leather.
- There are no stretch panels, buckles, snap tabs, or decoration.
- Boots have conservative heels.
- If zippers are present, they are hidden on the inner part of the boot shaft.
  - ◆ Not visible from the front, side or back.
- The top of the boots may be flat or Spanish Style, but not Cowboy or Super Hero (pointed at the front) style.

For level two certification (if applicable):

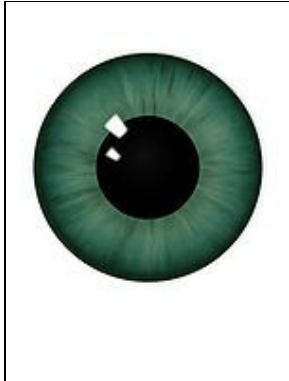

- Boots do not have a zipper.

For level three certification (if applicable):

- Boots are made of leather.
  - ◆ Not vinyl or PVC.
- Exact replicas of English riding (dress) boots or Equestrian boots.

## Optional Accessories

Items below are optional costume accessories. These items are not required for approval, but if present appear as described below.

Eye Color  
For 501st approval:

- Green contact lenses.
- This style of contact lens may be worn, if desired.
  - ◆ While encouraged to complete the look of this character, the contact lens requirement will be waived for 501st acceptance, if the applicant cannot wear contact lenses for health related reasons.
  - ◆ All persons utilizing contact lenses are encouraged to first see their optometrist for a fitting.
